The Conlee Sale

At the public sale of Robt. N. Conlee, deceased, Saturday, articles brought fair prices and the bidding was liberal and spirited.

Col. Ray Rowland, one of the auctioneers, reports the following sales: Nine two-year-old steers brought \$50.00 per head; 3 small calves sold at \$20.00 per head; one cow brought \$62.00; 23 hogs 125 to 150 brought 12 1/2 cents; several pure bred Poland China shotguns from 40 to 50 pound sold for from \$7 to \$10 each; one pair work mules 6-year-old brought \$346.00; one mare 10 years-old brought \$126.00; one 2 year-old mare \$100.00; one 2 year-old horse \$77.00; picked corn sold for from \$1.00 to \$1.80; 1 wagon, 79.00; hay 70 cents per bale.

Spring Clean-up Campaign

The week of April 18th to the 22nd has been designated Clean-Up Week. State authorities urge all residents in the state to co-operate in a general clean-up of all buildings from cellar to attic. Get rid of all that accumulation of old papers, oily and dirty rags, discarded clothing, rubbish and other valueless materials. Fire and disease are invited when these conditions exist.

Raiding Moonshines

A big moonshine still was taken in Mt. Sterling last week. But they are getting them in most all the counties but Powell. If these Prohibition officers will come here and get busy, they can find a feast of business if one-half the rumors of moonshine stills are correct. At least we would like to see the trick tried awile in this county.

Phelps Assigned to New Field.

Frank Phelps who has had charge of the construction work on the Powell and Clark county road for the past year, has been transferred to a maintenance job between Frankfort and Louisville. Judge Daniel and T. P. Mountz will have charge of this job until the road is finished to Lulbe-grud.

Shale Men Come Across

The last payment on the shale lands purchased here some time ago fell due April 1st and it did not prove an "April Fool" either for the shale men came across and paid up every penny. And they are going ahead with their work too. This looks good if it is not all spoiled later.

Family Re-Union

At the home of G. B. Conlee Saturday there gathered together the surviving members of the family as follows: Mrs. Lou Faulkner, of Winchester, Mrs. Caroline Derickson and Mrs. Mariah Rose, of this city and Mr. and Mrs. T. L. Conlee, of Stanton.

Rents Conlee Farm

R. L. Shimfessel and Edwin Rose have rented the Robt. N. Conlee place and will farm it this year.

Contest on for Bridge

That Powell county has decided to build a joint bridge with Clark county across Lulbe-grud creek, has stirred up considerable rivalry between the citizens in the lower end of the county where the bridge is to be built. The proposed bridge will cross the creek either at the Lowry or Ewell's millford. The two fords are about two miles apart below Log Lick. Squire W. E. Profit and Squire C. B. Hatton, of Slade and Bowen, respectively have been appointed special commissioners to meet Clark county authorities on the proposed sites and determine the proper place to build the bridge.

The Times suggests that the county provide for the building of a good road from the Powell's Valley R. R. crossing to this bridge which will give an outlet to it. A bridge built at either place now means that but little benefit can be derived from it but to a very few who are hemmed in the bend of the creek. Let the bridge be built, but just as certainly let the road be built. It is easy to get promises to build roads if the bridge can first be built, but the promises are soon forgotten after the bridge is built. Therefore let both improvements come at once. The good people down there are entitled to a bridge and they are also justly entitled to a road. Let them have both.

Mrs. Henry King Undergoes Operation at Winchester

Mrs. Henry King was Monday taken to the Clark County Hospital where she was on Tuesday operated on for appendicitis. She stood the operation well and stands splendid chance for recovery.

Inspiring Weather Continues

The continuation of so much nice spring weather is very inspiring to farmers who are now far advanced in their work. The roads are also fast drying up and making travel in Powell more bearable. The sun shines every day somewhere, and we're having our day.

Sells Hogs

J. B. Eaton, W. T. McGuire and John C. Eaton sold last week to Byrd & Dawson, Clark county live stock dealers, about thirty head of hogs at 11 and 12 cents.

"Family Day"

Sunday, April 10th, is "Family Day" in campaign "Go-to-Sunday-School Day." Every one is cordially invited to the Sunday Schools of Clay City.

Buys New Dodge

Coleman Hall last week purchased a new Dodge Truring car from the Lexington agency and is now enjoying the new road in leisure times.

Lost

Mrs. Rose Conlee.

Elbert Faulkner for Assessor

In this issue will be found the formal announcement of Elbert Faulkner for Assessor or Tax Commissioner of Powell, subject to the Democratic vote in the primary election to be held August 6. Mr. Faulkner successfully passed the rigid examination recently held for candidates for this office, and is otherwise eminently qualified to fill the office. He is a son of Mort Faulkner, one of the best families of the county, and one that has never before asked for office. Due consideration should be given Mr. Faulkner's claims for office.

Passes Examination

W. C. Rose and Coin Bowen passed the recent examination for Assessor. Their announcements in the Times is an invitation to Times readers to vote for them. Pick your choice. They are both good men and the authorities at Frankfort say they are both qualified.

Administratrix Appointed

For Torpid Liver

"Black-Draught is, in my opinion, the best liver medicine on the market," states Mrs. R. H. White-side, of Keota, Okla. She continues: "I had a pain in my chest after eating—tight, uncomfortable feel-ing—and this was very disagreeable and brought on headache. I was con-stipated and knew it was indigestion and inactive liver. I began the use of Black-Draught, night and morning, and it sure is splendid and certainly gives relief."

Thedford's BLACK-DRAUGHT

For over seventy years this purely vegetable preparation has been found beneficial by thousands of persons suffer-ing from effects of a tor-pid, or slow-acting liver. Indigestion, biliousness, colic, coated tongue, diz-ziness, constipation, bit-ter taste, sleeplessness, lack of energy, pain in back, puffiness under the eyes—any or all of these symptoms often indicate that there is something the matter with your liver. You can't be too careful about the medi-cine you take. Be sure that the name, "Thed-ford's Black-Draught," is on the package. At all druggists.

In Memory of Mrs.

Mary E. Faulkner

On one of the most beautiful and sacred days ever dawned upon this earth Friday, March 25th, 1921, the spirit of one among the best known and respected women of Powell county took its departure without a struggle and the soul of Mary Ellen Hon Faulkner took its flight on a journey into a country from whence no traveler ever returns. Grand-mother Faulkner, as she was familiarly called by all in her community, had been sick for over a year and was slightly paralyzed the last of January and never got any better. She was born and raised in Powell county, was 86 years 10 months and 21 days old. Was the widow of O. D. Faulkner, had buried her husband and all her children but is survived by four sisters, all of Missouri: Amanda J. Wills and Cynthia A. Estes, Smithville; Ermina Farmer, Kansas City; Mrs. John Fox, Platte City, and one brother, Isaac N. Hon, Platte City, Mo., also 14 grandchildren; Ernest and Austin Faulkner, Slade; O. D. Hoskins, Courtland and Miss Margaret Hoskins, Mrs. J. W. Tuttle, Mrs. Etta Hodgkin, Winchester; Mesdames Monte Ewell and Effie Smith, Carlisle, Ky.; Mrs. Lillie Barnes, Indiana; Mrs. George Crowe, Michigan; Hood and Lee Judy, Arkansas and Kendal Judy, of Idaho; and a host of nieces and nephews in Kentucky and Missouri. She had been a member of the Christian church 72 years and died in full faith. Often has she asked the writer why God kept her here, saying she was prepared and anxiously waiting his call to join her family in a better world. She made all arrangements for her funeral several years ago and many times said she wanted to die on Good Friday and be buried Easter Sunday, but owing to no train on Sunday, she was buried on Saturday, March the 26th, beside her husband in the family lot near Slade.

To her sisters and brother, we ask you not to grieve but thank God for His goodness in relieving her and for her easy death. She said she did not want to live any longer, that life contained nothing for her and she wanted to be with her family, and requested the writer, with whom she had made her home for over four years, to write an account of her death to the Clay City Times and send a copy to each of her sisters and brother. She died at her old home near Slade where she had reared her family and had lived 60 years. Her marriage license was the second issued in Powell county, the year 1853. She has many friends in this and adjoining counties.

Why should death be an unwelcome guest?

For we truly know it will come,
We may be young or at a ripe old age,
But no living soul this penalty can shun.

For God has promised in words so true
That in Heaven he prepared a home
And would send his messengers here
To the earth,
And gently command us to come.

Christ will be at the river of death,
To guide us to loved ones gone before.

If we only trust and obey his command
He will safely conduct us to the beautiful Shore. M.L.F.

I was advised to take Foley Kidney Pills for my trouble. After taking them for a few days the pain in my back left me and I have not had any lumbago since that time, although that was months ago. I recommend Foley Kidney Pills to all who have lumbago."

If any one can fix up an excuse for neglecting God's work that will be acceptable to Him there will be a great demand, but the safest and only way is to do as He has commanded us and it is time we were all about our Father's business for he needs us as he never did before and we need Him for His business is very much neglected.
